EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 FORMING PART OF THE NOTICE

With an objective of rewarding Members holding equity shares of the Company, through return of surplus cash, the Board at its meeting held on 03.11.2017 has approved the proposal of recommending buyback of equity shares as contained in the resolution in the Notice. As per the relevant provisions of the Companies Act, 2013 (the "**Companies Act**"), the Companies (Share Capital and Debentures) Rules, 2014 (hereinafter referred to as the "**Share Capital Rules**") and in compliance with Securities and Exchange Board of India (Buy-back of Securities) Regulations, 1998, (the "**Buyback Regulations**"), the Explanatory Statement contains relevant and material information to enable the Members holding equity shares of the Company to consider and approve the Special Resolution on the Buyback of the Company's equity shares. The requisite details relating to the Buyback are given below:

a. Rationale of the Buyback

Share buyback is the acquisition by a company of its own shares. The objective is to return surplus cash to the Members holding equity shares of the Company. The Board at its meeting held on 03.11.2017, considered the increase in accumulated free reserves as well as the cash liquidity reflected in the audited accounts for the financial year ended 31.03.2017 and considering these, the Board decided to allocate a sum of Rs. 34,10,00,000 (Rupees Thirty Four Crores Ten Lakhs Only) (excluding Company's transaction cost such as brokerage, securities transaction tax, stamp duty and other applicable taxes etc) ("**Buyback Offer Size**") for distributing to the Members holding equity shares of the Company through the Buyback. After considering several factors and benefits to the Members holding equity shares of the Company, the Board decided to recommend Buyback of not exceeding 11,00,000 (Eleven Lakhs) equity shares (representing 21.76% of the total number of equity shares in the paid-up equity share capital of the Company) at a price of Rs. 310/- (Rupees Three Hundred Ten Only) per equity share for an aggregate consideration of Rs. 34,10,00,000/- (Rupees Thirty Four Crores Ten Lakhs Only) (excluding Company's transaction cost such as brokerage, securities transaction tax, stamp duty and other applicable taxes etc) being 15.18% of the fully paid-up equity share capital and free reserves as per the latest audited financial statements of the Company for the financial year ended 31.03.2017, (which is within 25% of the paid up share capital and free reserves of the company). Buyback is a more efficient form of distributing surplus cash to the Members holding equity shares of the Company, inter-alia, for the following reasons:

- (i). The Buyback will help the Company to distribute surplus cash to its Members holding equity shares broadly in proportion to their shareholding, thereby, enhancing the overall return to Members;
- (ii). The Buyback, which is being implemented through the Tender Offer route as prescribed under the Buyback Regulations, would involve allocation of 15% of the outlay to small shareholders. The Company believes that this reservation of 15% for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder";
- (iii). The Buyback would help in improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value;
- (iv). The Buyback gives an option to the Members holding equity shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback Offer or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post the Buyback Offer, without additional investment;
- (v). The Buyback Offer price of Rs. 310/- (Rupees Three Hundred Ten Only) is in the interest of the Shareholders.

b. Method to be adopted for the Buyback

The Buyback shall be on a proportionate basis from all the Members holding equity shares of the Company through the "Tender Offer" route, as prescribed under the Buyback Regulations. The Buyback will be implemented in accordance with Article 5A of the Articles of Association, the Companies Act and the Share Capital Rules to the extent applicable and on such terms and conditions as may be deemed fit by the Company.

As required under the Buyback Regulations, the Company will announce a record date (the "**Record Date**") for determining the names of the Members holding equity shares of the Company who will be eligible to participate in the Buyback. A "Small Shareholder" means any shareholder who holds equity shares of the Company as on Record Date of not more than Rs. 2,00,000/- (Rupees Two Lakhs Only) in value as defined under the Buyback Regulations. In due course, each shareholder as on the Record Date, will receive a Letter of Offer along with a Tender/ Offer Form indicating the entitlement of the shareholder for participating in the Buyback.

The equity shares to be bought back as a part of the buyback is divided in two categories:

- o Reserved category for small shareholders; and
- o the general category for all other shareholders.

In accordance with Regulation 6 of the Buyback Regulations, 15% (fifteen percent) of the number of equity shares which the Company proposes to buyback or number of equity shares entitled as per the shareholding of small shareholders, whichever is higher, shall be reserved for the small shareholders as part of this Buyback. The Company believes that this reservation of 15% for small shareholders would benefit a large number of public shareholders, who would get classified as “small shareholder”.

Based on the holding on the Record Date, the Company will determine the entitlement of each shareholder to tender their shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of equity shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs.

Shareholders’ participation in Buyback will be voluntary. Members holding equity shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. Members holding equity shares of the Company may also accept a part of their entitlement. Members holding equity shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

The maximum tender under the Buyback by any shareholder cannot exceed the number of equity shares held by the shareholder as on the Record Date.

The equity shares tendered as per the entitlement by Members holding equity shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations. The settlement of the tenders under the Buyback is expected to be done using the “Mechanism for acquisition of shares through Stock Exchange” notified by SEBI vide circular CIR/CFD/POLICYCELL/1/2015 dated 13.04.2015 and read with SEBI Circular CFD/DCR2/CIR/P/2016/131 dated December 09, 2016.

Detailed instructions for participation in the Buyback (tender of equity shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the Members holding equity shares of the Company as on the Record Date.

c. Maximum amount required under the Buyback and the sources of funds from which the Buyback would be financed

The maximum amount required under the Buyback will be Rs. 34,10,00,000/- (Rupees Thirty Four Crores Ten Lakhs Only) (excluding Company’s transaction cost such as brokerage, securities transaction tax, stamp duty and other applicable taxes etc) being 15.18% of the fully paid-up equity share capital and free reserves as per the latest audited financial statements of the Company for the financial year ended 31.03.2017, (which is within 25% of the paid up share capital and free reserves of the company). The Buyback would be financed out of free reserves of the Company. The Company shall transfer from its free reserves a sum equal to the nominal value of the equity shares bought back through the Buyback to the Capital Redemption Reserve Account and the details of such transfer shall be disclosed in its subsequent audited Balance Sheet.

The Company confirms that as required under Section 68(2) (d) of the Companies Act, the ratio of the aggregate of secured and unsecured debts owed by the Company shall not be more than twice the paid-up equity share capital and free reserves after the Buyback.

d. Buyback Price and the basis of arriving at the Buyback Price

The equity shares of the Company are proposed to be bought back at a price of Rs. 310/- (Rupees Three Hundred Ten Only) per equity share (the “**Buyback Offer Price**”). Since there has been no trading in the equity shares of the Company on the CSE for more than last one year, the Buyback Offer Price has been arrived at after considering various appropriate factors, such as Book Value Per Share and Profit Earning Capacity Value.

e. Number of shares that the Company proposes to buyback and the time limit for completing the Buyback

The Company proposes to Buyback not exceeding 11,00,000 (Eleven Lakhs) equity shares of face value of Rs. 10/- each of the Company. The Buyback is proposed to be completed within 12 months of the date of Special Resolution approving the proposed Buyback.

f. Compliance with Section 68(2)(c) of the Companies Act

The aggregate paid-up share capital and free reserves as at 31.03.2017 is Rs. 22,459.08 Lakhs. Under the provisions of the Companies Act, the funds deployed for the Buyback cannot exceed 25% of the total paid-up capital and free reserves of the Company i.e. Rs. 5,614.77 Lakhs. The maximum amount proposed to be utilized for the Buyback, is approximately Rs. 3,410.00 Lakhs and is therefore within the limit of 25% of the Company’s total paid-up equity capital and free reserves as per the audited Balance Sheet as at 31.03.2017.

Further, under the Companies Act, the number of equity shares that can be bought back in any financial year cannot exceed 25% of the total paid-up equity capital of the Company in that financial year. Accordingly, the maximum number of equity shares that can be bought back in the current financial year is 12,64,016 equity shares. Since the Company proposes to Buyback up to 11,00,000 equity shares, the same is within the aforesaid 25% limit.
